

Recommendations of 36th Convention of VCs of Agril. Universities held on 13-14th Dec, 2011 at AAU, Jorhat (Assam)

1. Identifying centres of excellence and niche areas in SAUs to be send to ICAR for funding.
2. ELP may be integrated in the faculty of various disciplines including veterinary and fishery sciences in AUs.
3. The change of by-laws of IAUA, if any reforms required in the by-laws.
4. Rules for undergraduate and Post graduate students to facilitate their migration within SAUs.
5. To identify problems of AICRP projects such as the impact on smooth running of projects due to abolition of permanent positions, timely distribution of funds etc.
6. Pay structure of the SMS may be equal to that of the teachers.
7. Re-vamping PG research and uniformity in date of admission across the SAUs to facilitate migration of students.
8. ICAR to include SAUs in their network projects to conduct research work in frontier areas of Agril. Sciences for the benefit of Indian Farming Community.
9. Increasing the number and amount of Scholarships/ fellowship at UG and P.G. programme in SAUs for the benefit of the students.
