MANDATE

Indian Agricultural Universities Association, (IAUA) is nearing to complete 50 years in 2017, as it was established on 10 Nov. 1967 (Registration no. 3489). There were only 9 founder-member agricultural universities; and their VCs were: founder president Dr P.N. Thaper, VC, PAU, Chandigarh (now Ludhiana); and members Shri V. Pulla Reddy, VC, APAU (now ANGRAU), Hyderabad; Dr J.S. Patel, VC, JNKVV, Jabalpur; Shri D.P. Singh, VC, UPAU (now GBPUAT), Pantnagar; Dr K.C. Nair, VC, UAS, Bangaluru; Dr S.N. Das Gupta, VC, KU, Kalyani (now BCKV, Mohanpur); Dr K. Ramaiya, VC, OUAT, Bhubaneswar; Dr G.S. Mahajani, VC, UU (now MPUAT), Udaipur; and Dr M.S. Swaminathan, Director, IARI, New Delhi.

During this period there has been phenomenal increase in the number of agricultural universities. Till date we have 67 regular member universities, viz: 59 SAUs, 4 DUs (IARI, IVRI, NDRI and CIFE) and 4 CAUs (Imphal, BHU, DRPCA and RLBCAU). On specialization there are 43 Agricultural, 6 Horticultural, 15 Veterinary and Animal Sciences and 3 Fishery Science Universities. During the initial 30 years IAUA organized fewer events, i.e. 24 annual VCs' conventions during 1972-99; but later on the events as well as their types (categories) increased, i.e. 41 events during 1999-2017, including 17 VCs' Conventions, 11 National Symposia, 7 Brain-storming Sessions, 6 Regional Committee Meetings.

The main objective of the Association is to promote agricultural research, education and extension in the universities and the states, and thereby rural development in the country. It also acts as a bureau of information to facilitate communication, co-ordination and mutual consultation among agricultural universities. The Association also acts as a liaison between member universities and government departments to facilitate communication and expedite the needed action in matters of importance.

All the SAUs and institutions (deemed-to-be universities and central agricultural universities) in India, which provide an integrated programme of teaching, research and extension education in agricultural sciences, are qualified to become regular members of the Association.

The vice-chancellors of member universities constitute the Association's General Body. The General Body meets once a year to decide the agenda for the next convention and other events and also to adopt its audited accounts of the year besides approval of the budget estimates for the next financial year, and the election of office-bearers for the following calendar year. The Executive Committee of the Association consists of President, Vice-President, Secretary-General, Treasurer and three members. The Executive Committee meets quarterly.

The office of the Association is manned by Executive Secretary, who implements the decisions of General Body and Executive Committee on behalf of the Association. A quarterly Newsletter is also being published by the Association since 2000, giving important news, events and achievements by member universities for the information of all the members and others interested. An Annual Report is also published, documenting all the activities of the year.

The information on events and proceedings are published through the host universities, and the recommendations are also included in website (www.iauaindia.org) and circulated to all the VCs of member universities and other main stake-holders.

The main source of revenue of the Association is the annual subscription from member universities. The ICAR also provides a nominal grant annually.

MANAGEMENT

Executive Committee

The Executive Committee of the Association takes decisions in its quarterly meetings, regarding its day-to-day functioning. Its directions on activities, events and policy matters are referred to General Body for final approval and ratification. The composition of Executive Committee during the year 2016 was as follows:

EXECUTIVE COMMITTEE

President:	Prof (Dr) M.C. Varshneya, VC, KU, Gandhinagar	1-1-2016 to 31-12-2016
Vice-President:	Dr K.M. Bujarbaruah, VC, AAU, Jorhat	1-1-2016 to 31-12-2016
Secretary-General:	Dr N.C. Patel, VC, AAU, Anand	1-1-2016 to 31-12-2016
Treasurer:	Dr V.S. Tomar, VC, JNKVV, Jabalpur	1-1-2016 to 31-12-2016
Members:	Dr A.R. Pathak, VC, JAU, Junagadh	1-1-2016 to 31-12-2016
	Dr A.K. Gahlot, VC, RUVAS, Bikaner	1-1-2016 to 31-12-2016
	Dr B.S. Dhillon, VC, PAU, Ludhiana	1-1-2016 to 31-12-2016
Special Invitee from ICAR:		
	Dr N.S. Rathore, DDG (Edn), ICAR	31-07-2015; continuing

During the year 2016-17, four Quarterly Executive Committee meetings were held, viz. No. 1 of 2016 on 28 Apr 2016 at IAUA, headquarter, New Delhi; No.2 of 2016 on 27 May 2016 at Madras Veterinary College, Chennai; No.3 of 2016 on 29 Aug 2016 at IAUA, headquarter; and No.4 of 2016 on 19 Dec 2016 at KU, Gandhinagar.

GENERAL BODY

The General Body meeting was held on 20 Dec 2016, at Kamdhenu University, Gandhinagar (Gujarat). The agenda items for the meeting were:

- Adoption of Association's audited accounts for the year 2016-17.
- Election of new Executive Committee for the calendar year 2017 :

The following members were elected :

1. Dr K.M. Bujarbaruah, VC, AAU, Jorhat	-	President
2. Dr N.C. Patel, VC, AAU, Anand	-	Vice President
3. Dr V.S. Tomar, VC, JNKVV, Jabalpur	-	Secretary- General

The present members of Editorial Board are mentioned below.

1. Dr R. P. Singh, Executive-Secretary, IAUA
2. Dr Kirti Singh, ex-Chairman, ASRB
3. Dr C. S. Chakraborty, ex- President, IAUA (2013) & ex- VC, WBUAFS, Kolkata
4. Dr Ramendra Singh, ex-Chief Agronomist, FAI
5. Mr R. S. Gupta, ex-Editor (English) T-9, ICAR

EVENTS

- 1) **11th National Symposium on: "Positioning NARES for Vocational Education" held at Madras Veterinary College, TNVASU, Chennai during 28 - 29 May 2016.**

Recommendations:

The major recommendations of the Symposium are given below.

1. Steps need to be taken to curb mushrooming of private agricultural colleges in the country.
2. Popularize millet cultivation for nutritional security, resilient crops and reduce carbon foot-print in livestock farming and technological development for mechanization in major horticultural crops.
3. Skilled Development Programmes, based on employability and demand potential to be identified in a scientific basis, offering vocational training using polytechnic courses in

crop production, animal husbandry, fisheries, farm machinery and food industry, with financial support of Union and State Governments adopting uniform course content as possible with flexible option under bodies like the ICAR, VCI etc. (Level I: KVKs, Level II: SAUs).

4. Improve the entrepreneurial skills in students, which should enable conservation of resources and overcome seasonal unemployment.
5. Conserve indigenous crops/ breeds with their role in agricultural and livestock farming.
6. Focus on genetic screening of livestock, embryo sexing and semen sexing.
7. Improve "Service delivers" for all sectors, especially for pig farming.
8. Establish linkage to local demand and equal-gender involvement.
9. To develop technology Business Incubators ('Start- ups' – Rural Vet Pharma involving Indian medicine, small farm machinery workshop etc.) with IAUA to formulate a policy for development of a sustainable model of incubation centres.
10. To go for quality publication for better impact than quantity.

2) 7th Brain-storming session on: "Youth and Smart Agriculture: Challenges and Opportunities", held at PJTSAU, Rajendranagar (Hyderabad) during 28 – 29 September 2016.

Recommendations:

The major recommendations of the Sessions are given below.

1. To promote capacity building among youth in terms of knowledge-based agriculture, encompassing climate-resilient technologies and farm mechanism for profitable agriculture.
2. Curriculum development in agricultural education should include enterprise development in agri-related businesses.
3. Co-ordinated efforts of all the organizations (public, private, and voluntary) working in and for agriculture are needed for synergy in empowering youth towards agripreneurship and smart agriculture.
4. Encourage 'Start- ups' to serve as mentors to the out-going graduate students in the final year in their respective agri- enterprises.
5. Impart focused training in identified areas for the faculty of universities in agripreneurship.
6. Effective technical back-stopping and hand-holding with regard to finance and skill towards conversion of youth into successful agri-entrepreneurs for sustainable livelihoods.
7. Reorient agriculture system to the present needs by making use of tools such as Remote Sensing, GIS, GPS, use of sensors, drones, mobile technology, different web portals for data mining and bio-informatics etc.
8. Agricultural graduate students should register one e-course and the faculty should use one e-book during the period of the course.

9. Harness employment opportunities in agriculture related services like water, insurance, credit, inputs, market linkages and technologies.
10. Introduce agriculture and allied subjects as a part of curriculum at primary school (STEMA) level to attract youth towards choosing agriculture as a profession.
11. Increase fellowships for PG education in agriculture and allied subjects to promote higher education for developing a talented technical human resource in the field.

3) 41st Vice-Chancellors Convention on: "Food for Health under Climate Change" held at KU, Gandhinagar, Gujarat during 20th -21st December, 2016

Recommendations:

The major recommendations of the Convention are given below.

1. Establish early-warning system to mitigate and devise management plan related to climate change in the country.
2. Establish efficient database management system for agriculture and allied fields to develop policy tools.
3. Policy shall be developed for burning crops, diversification, cold refrigeration and digital documentations in agriculture..
4. Policy to be developed for river cross linking, integrated farming, climate smart agriculture, organic farming etc.
5. Seed storage systems should be implemented in a decentralized manner.
6. Development of technologies for the agricultural by-product utilization needs to be implemented properly to reduce wastes. Various Agricultural Universities should take initiative for its proper implementation and utilization.
7. Devise and standardize the protocol for animal-waste management in India.
8. Organize One Health One World programme in collaboration with Indian Council of Medical Research (ICMR) and World Health Organization (WHO) for production of healthy food under climate change.
9. In Fisheries sector, due to climate change, especially there is drying up of streams in hills and mountains where stock broods are sustained for reproduction for the next season. The Government should take steps to establish gene banks and breeding units of all indigenous species to release sufficient young ones as a part of river ranging to sustain the stock.
10. Waste water from different sources (municipal, industries, hydroelectric plants) should be properly treated and reused for aquaculture.

INTERNATIONAL LINKAGES AND COLLABORATIONS

The IAUA expanded and maintained its linkages with international sister Associations and other International organizations in India and abroad. These are mentioned below.

1. Asian Pacific Association of Agricultural Research Institute (APAARI), Bangkok (Thailand)
2. Asian Association of Agricultural College and Universities (AAACU), Manila (Philippines)
3. International Livestock Research Institute, CG Centers, NASC, New Delhi
4. University of the Philippines, Los Banos College, New Laguna (Philippines)
5. International Association of Universities (IAU), UNESCO House (France)
6. GCHERA (France)
7. Kazakh National Agrarian University, Kazakhstan (Republic of Kazakhstan)
8. RUFORUM in Uganda.
9. National Chung Hsing University, Taichung (Taiwan)
10. NUL&ES, Ukraine.
11. Association of Public and Land Grant Universities (APLU), the USA.

This will facilitate global exchange of views and knowledge in the field of agricultural research, extension and education.

Visit of the Scientists for International participation during the year 2016-2017

1. Executive Secretary, IAUA visited USA during 30 April – 16 May 2016:
 - a) Visit to Michigan State University and gave the presentation on
 - (i) "Green Revolution in India – Lessons Learned and Way Forward";
 - (ii) "History of Agricultural Education in India and its present Status.
 - b) Also visited Arizona State University to look at the facilities/ laboratories concerning Agricultural programmes".
2. Executive Secretary, IAUA visited Tokyo (Japan) during 12 – 16 October 2016 to attend the AAACU Conference on "Towards a sustainable world: the challenges of the SDGs for AAACU in the next decade", and gave presentation on "Development of agricultural education in India" and attended the EC Meeting.
3. DDG (Edn), ICAR; VC, UHF, Bharsar (Uttarakhand); Pro-VC, SHUATS, Allahabad; Director Res., AAU, Jorhat (Assam) and ES, IAUA visited Taiwan during 30 October – 4 November 2016 to attend the APAARI Conference as an Expert on "Expert consultation on best practices in agri – food innovations".

AWARDS AND RECOGNITIONS

CENTRAL AGRICULTURAL UNIVERSITY, IMPHAL

Recognition to Faculty Member

The Distinguished Alumni Award was conferred to Dr Deepak Jhajharia, Associate Professor (Dep. of SWE, CAEPHT) for commendable contribution to engineering profession on 8 Oct, 2016 during 14th Annual Meet-cum-Felicitation Programme-2016 at CTAE, MPUAT, Udaipur (Rajasthan).

Award Certificate

DR RAJENDRA PRASAD CENTRAL AGRICULTURAL UNIVERSITY, PUSA

P.D. Mistry Award

Dr Abdus Sattar, Assistant Professor and Nodal Officer (Agro-meteorology) received "P.D. Mistry Award" for Best Ph. D. thesis from Association of Agro-meteorologists in India for the year 2016. The title of his thesis was "Agro-climatic characterization for assessment of crop potential under rainfed condition in Bihar". The award includes a gold medal and a citation. The award was given to him during the inaugural function of National Seminar, AGMET – 2016, "Climate-driven food production system: Agro-meteorological interventions", held during 20-22 Dec 2016 at Tamil Nadu Agricultural University, Coimbatore.

Scientists receiving award

Life-time Achievement Award

Dr R.C. Srivastava, VC, DRPCA, Pusa, received Life-time Achievement Award from Andaman Science Association on 8 Dec at Port Blair. The honour was bestowed by Dr Ramesh Chand, Member, Niti Ayog, in the gracious presence of DDG (Hort), Chairman, PVPFRA and others. During his career of 39 years in the ICAR, he held several progressively prestigious positions. Dr Srivastava has vast experience in establishing linkages with public and private, national and international institutions for effective implementation of the programmes undertaken.

Dr R.C. Srivastava

Jagjivan Ram Abhinav Kisan Puruskar, 2015 to a KVK farmer

Shri Jitendra Singh, an agricultural graduate and a progressive farmer of Namidih, Lalganj (district Vaishali Bihar) bagged National Jagjivan Ram Abhinav Kisan Puruskar (Jagjivan Ram Innovative Farmer Award) for the year 2015. Dr D.D. Patra, VC, BCKV, Nadia presented him the award. It comprised cash amount of Rs 50,000 with travel grant to promote his achievement among the farmers. Shri Jitendra Singh has contributed to the formation of a farmers' group for horticultural crops (like mango and litchi) with scientific cultivation and organized marketing. He also involved the group for high-density okra cultivation, wheat-seed production and flower cultivation. He is practicing neem-seed-kernel extract for insect-pest management. Shri Singh is actively associated with the KVK, Vaishali for technological trainings and demonstrations.

Shri Jitendra Singh receiving award

ANAND AGRICULTURAL UNIVERSITY, ANAND

Eminent Engineer award to Dr D.C. Joshi

The Institute of Engineers (India) conferred the Eminent Engineer award for 2015-16 to Dr D.C. Joshi, Dean, College of FPTBE, in recognition of his contribution in the profession of agricultural engineering in the country. The plaque was presented to Dr Joshi by Shri Mohanbhai Kundariya, Minister of State, during NCAE-2016 on Feb. 2016 at the university.

Dr D.C. Joshi, receiving the award

FISVPT award to Dr A.M. Thaker

Dr A.M. Thaker, Principal & Dean, College of Veterinary Science and Animal Husbandry was honoured by Fellowship of Indian Society of Veterinary Pharmacology and Toxicology (FISVPT). He was honoured for his contribution in the field of Veterinary Pharmacology and Toxicology and activities of the society. The fellowship was awarded by H.E. Dr Kaptan Singh Solanki, Governor of Haryana, in the presence of Dr Gurbachan Singh, Chairman, ASRB, New Delhi; and Dr A.K. Srivastava, Director/VC, NDRI, Karnal, at inaugural function of 15th Annual Convention of Indian Society of Veterinary Pharmacology and Toxicology held at NDRI, Karnal, on 14 Jan. 2016.

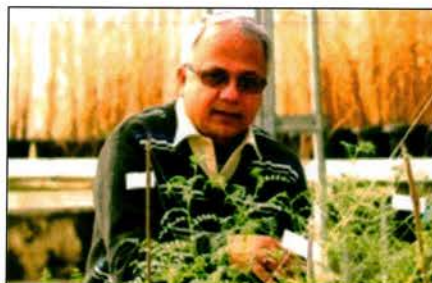

Dr A.M. Thaker, receiving the award

ASSAM AGRICULTURAL UNIVERSITY, JORHAT

ICAR Norman Borlaug Chair in International Agriculture

Dr B.K. Sarmah, Director, DBT-AAU Centre; and Professor, Department of Agricultural Biotechnology, was awarded the prestigious ICAR Norman Borlaug Chair in International Agriculture on 1 Mar. 2016, for the project, 'Development of cisgenic chickpeas resistant to pod borers'. The project is for 5 years, which is extendable by another 5 years (if the need is felt by the committee).

Dr B.K. Sarmah

Dr Sarmah has long experience in conducting collaborative research with various national and international organizations, and his group is well-known for the development of transgenic chickpeas resistant to insect pests. The Bt-chickpea lines so developed in collaboration with CSIRO, Canberra and NRCPB, New Delhi are being tested in confined field trials (BRLI) by the private partner-M/S Sungro Seeds. Dr Sarmah has been currently acting as members of four important Expert committee/ Task Force of Department of Biotechnology, Government of India, and is serving as editorial board member of two leading international journals of plant sciences.

Award to Students in Plant Health Management Symposium

Ms Himadri Kaushik, Ph.D. scholar, Department of Plant Pathology, was awarded the prestigious M.J. Narasimhan Award for her paper, "Persistence and viability of *Metarhizium anisopliae* in the tea ecosystem of Assam" in the symposium on, 'Plant health management in North East India', organized by North East Zonal Chapter of Indian Phytopathological Society and the ICAR Research Complex for NEH Region, Umiam (Meghalaya) during 15-16 Jan. 2016. Ms Merrylina Marak, M.Sc. student, received the best

Participants at symposium

oral presentation award for her paper: "Eco-friendly approaches for the management of Flacherie disease of muga silkworm, *Antheraea assama* under the agro-climatic conditions of Assam"; and the best poster presentation awards were bagged by Ms Sarodee Boruah (Ph.D.) and Mr Pranjal K. Kaman (M.Sc.) for their papers: "Combined effect of nanoparticle and biocontrol agents has higher efficacy against plant pathogens" and "Biogenic synthesis of myconanoparticle (Ag nanoparticle) and management of soil-borne plant pathogen" respectively.

CHAUDHARY SARWAN KUMAR HIMACHAL PRADESH KRISHI VISH-VAIDYALAYA, PALAMPUR

State Innovation Award

Three scientists of CSKHPAU were awarded H.P. State Innovation Award, viz. Dr P.K. Mehta, Dr Pankaj Sood and Dr C. S. Parbhakar. They developed a fruit-fly trap (Palam trap) for the benefit of farming community. The fruit-flies are one of the most serious pests of agriculture in India and their management using mass-trapping techniques by developing a local bottle-based fruit-fly trap was achieved by a team of farm scientists led by Dr P. K. Mehta.

Dr P.K. Mehta, Director of Extension Education and team leader, told that more than 40,000 traps worth Rs 50 lakhs have been provided to the farmers during the last 5 years. The traps have also been demonstrated through KVKs in Haryana and Punjab. As the techniques is environment-friendly and easy to adopt, the farmers are readily accepting it.

Dr P.K. Mehta

Dr Pankaj Sood

Dr C.S. Parbhakar

Gold Medal to Veterinary Surgeons

Dr Adarsh Kumar and Shri U.B. Farooq, Department of Veterinary Surgery & Radiology, Dr G.C. Negi College of Veterinary & Animal Sciences, CSKH.P. Agriculture University, were awarded gold medal and certificate for the best paper and significant research contribution on "Ultrasonographic differentiation between true and false colic in horses". The honour was bestowed on them at Annual Congress and Symposium of Indian Society of Veterinary Surgeons, held at Chennai. Drs S.K. Sharma, Adarsh Kumar, Amit Kumar and Neha Kapil were also awarded appreciation certificate for small anaesthesia and the department got appreciation for scientific contributions in the areas of Diagnostic Imaging and Surgery in Large and Small animals.

Award ceremony

GURU ANGAD DEV VETERINARY AND ANIMAL SCIENCES UNIVERSITY, LUDHIANA

Honour to Scientists for Research on Medicinal Plants

The outcome of the research investigations on medicinal plants being conducted at the university was recognized at the 15th Annual Convention of Indian Society of Veterinary Pharmacology and Toxicology on 'Nutritional Pharmacology and Toxicology beyond Calories', held during 14-16 Jan. 2016 at NDRI, Karnal. The research paper on Evaluation

of antibacterial, anthelmintic and anti-inflammatory activity of *Murraya koenigii* (lemon grass) leaves, authored by Mr Simerjot Singh, Mr Harpreet Singh, Ms Pallavi Bhardwaj, Ms Saloni Singla, Mr Vinod Kumar Dumka and Mr Suresh Kumar Sharma, was adjudged best amongst more than 100 papers honouring with the prestigious best-poster award of the society.

Medals to NCC Cadets in Republic Day Camp

A team of 1 Punjab R&V SQN NCC, commanded by Lt Col. Tushar Upasani won one gold, one silver and three bronze medals in equestrian competitions at Republic Day Camp – 2016 at New Delhi. The camp was held from 29 Dec. 2015 to 28 Jan. 2016. The team comprised two boys and one girl NCC cadet with three horses in month-long camp, during which various competitions were held.

Fastest Student Athlete at Inter-Agricultural Sports Meet

Mr Arshdeep Singh, a student of college of veterinary science, was declared fastest male athlete at 16th All-India Inter-Agricultural Universities Sports and Games Meet, held at TNAU, Coimbatore during 22-26 Feb. 2016. More than 50 institutes participated in this meet. Mr Arshdeep Singh was also declared best athlete at university athletic meet.

Mr. Arshdeep Singh

Dr Manish Kumar Chatli felicitated as Fellow in Indian Veterinary Congress

Dr Manish Kumar Chatli, Professor & Head, Department of Livestock Products Technology, was felicitated as Fellow of Indian Association for the Advancement of Veterinary Research in 16th Indian Veterinary Congress – 2016, held during 27-28 Feb. 2016 at College of Veterinary Science, OUAT, Bhubaneswar.

Dr Manish Kumar Chatli

Award to Dr Meera D. Ansal at international Conference

Dr Meera D. Ansal, Senior Scientist-cum-Head, College of Fisheries, was awarded honorary fellowship of Indian Ecological Society, in International Conference held on Natural Resource Management: Ecological Perspectives during 18-20 Feb. 2016. The conference was organized by Indian Ecological society, Ludhiana, in collaboration with SKUAST, Jammu. The award was given for her remarkable contributions to Indian Ecological Society as a live member and development of aquaculture sector in the state, with special reference to inland saline water aquaculture.

Dr Meera D. Ansal

National Recognition to Dr L.D. Singla

Dr L.D. Singla, Professor, Department of Veterinary Parasitology, was honoured with Smt Nisha Mani Parija Oration Award -2014 by Indian Association the Advancement of Veterinary Parasitology. The award was bestowed in recognition of his valuable contributions and achievements in the field of parasitic zoonoses. The award was presented to him at 25th National Congress of Veterinary Parasitology and National Symposium on 'One Health Approach: Plausible Solution for Sustainable Parasite Control', held during 17-19 Feb. 2016 at TNVASU, Chennai.

Dr L.D. Singla, receiving award

Award to Cadet Ravinder Kaur

Cadet Ravinder Kaur of 1 PB R&V SQN NCC, a student of college of Veterinary Science, was awarded ADG merit certificate, as she brought laurels to this unit, NCC GP LDH and PHHP & C Directorate and GADVASU in RDC 2016 with her outstanding performance, she won silver and bronze medals in show jumping and Hacks competitions at national-level Equestrian competitions. She was also felicitated by Director-General, NCC for her contribution during the RDC & PM Rally-2016. The other cadet, Mr Vishal Kumar also a student of College of Veterinary Science, was awarded Merit certificate for winning one gold and one bronze medal at Republic Day Camp, 2016. Besides, Cadet Paramveer Singh, a fourth year student, also won a bronze medal in Hacks competition at RDC, 2016.

Cadet Ravinder Kaur

GOVIND BALLABH PANT UNIVERSITY OF AGRICULTURE AND TECHNOLOGY, PANTNAGAR

GBPUAT Pantnagar "Best university of Uttarakhand"

Pantvarsity was adjudged the Best University of Uttarakhand by Dr. K.K. Paul, the Governor of the State, VC of Pantvarsity. He handed over the running trophy, appreciation letter and Rs. 1.00 lakh for the university library to Dr Mangala Rai, VC, on 26 April 2016 at Dehradun.

H.E. Dr K.K. Paul presenting award to Dr Mangala Rai

Best Rice-Production Award

The Pantnagar Centre of All-India Co-ordinated Research Project on Rice of the ICAR received Best Crop Production Award of 2016. It was given for the research done and technologies developed on different aspects of agronomic practices for increasing rice production.

The award was given by the lead institute of the project, Indian Rice Research Institute, Hyderabad, of the ICAR, with whose assistance this project is being implemented at Pantnagar since 1966. The Principal Investigator of the component, Dr P.C. Pandey, and other scientists of department of Agronomy, associated with the project, received this award in 51st annual group meeting of the project held at Indira Gandhi Agricultural University, Raipur.

Honour to Dr Mangla Rai as Most Influential VC

Dr Mangala Rai, VC of Pantvarsity was included among the hundred most influential Vice-Chancellors of India by World Education Congress. Honour was given during a function organized at Taj Legends hotel, Mumbai. Dean (Academics) of Central Institute of Fisheries Education, Mumbai, received the award on his behalf. After contributing significantly on various administrative, planning and advisory positions at national level, Dr Rai started grass-root reforms at Pantvarsity, which started paying dividends even within a year of his assuming the chair of VC.

Dr Mangala Rai

Dr K.G. Tejwani Award to Dr Salil Tiwari

Dr Salil Tiwari, Joint Director, Agro-forestry Research Centre of Pantvarsity, was honoured with Dr K.G. Tejwani Award. This award was presented to him by Indian Society of Agro-forestry in recognition of his research work of last 25 years in agro-forestry on *sheesham*, bamboo and poplar, in a national seminar held at Central Agro-forestry Research Institute, Jhansi.

Global Teacher Role Model Award to Dr S.B. Singh

Dr S.B. Singh, Professor, Department of Mathematics, Statistics and Computer Science, was conferred 'Global Teacher Role Model Award-2016' by Manushybal Vikash Loksewa Academy, Mumbai, (Maharashtra), in recognition of his meritorious services, outstanding performance and remarkable role as a teacher. The award was conferred in the 'Global Teachers Conference-2016' and 'MVLA Trust's National Level Education Summit-2016', held at C. D. Deshmukh Auditorium, India International Centre, New Delhi, on 30 Dec 2016.

Dr Salil Tiwari, receiving Award

Young Scientist and Best Paper Awards to Dr Santosh Kumar Yadav

Dr Santosh Kumar Yadav, Assistant Professor, Department of Agronomy, College of Agriculture, received Best Paper Award in the international conference on 'Recent advances in agricultural and horticultural sciences', held at Jodhpur (Rajasthan) during 30-31 Dec 2016. Dr Yadav and Dr Jitendra Kumar, Post-Doctoral Fellow, Directorate of Extension Education, also received Young Scientist Award in this conference. These awards were given by Academic Research Journals (India), New Delhi.

Dr S.K. Yadav, receiving Young Scientist Award

JUNAGADH AGRICULTURAL UNIVERSITY, JUNAGADH

Honour to Mr J.K. Jadhav

Mr Jaymin K. Jadhav, Research Associate, Department of Biotechnology, JAU, Junagadh, won International Young Scientist Award for "Best Poster Presentation" of his research paper in material sciences. He won this award during 8-9 Dec. 2016 at International Science Congress, organized by International Congress Association, held at Pune (Maharashtra).

Young Scientist Award

MAHARASHTRA ANIMAL AND FISHERY SCIENCES UNIVERSITY, NAGPUR

First Prize at Avishkar – 2015

The Inter-University Research Convention, Avishkar-2015 was organized at Savitribai Phule Pune University, Pune during 10-12 Jan 2016. Ten students from the university participated in the event.
